## PREPARATION

NO NEED TO SORT. PLEASE DUMP ALL MATERIAL LOOSE INTO THE DROP BOX. REUSE YOUR BAGS OR BOXES.

**Newspaper** - Glossy inserts delivered with newspaper are acceptable. Keep newsprint dry. Do not tie with twine, string or other materials.

**Glass** - Rinse ALL containers clean. Need not remove labels. Unacceptable - Ceramics, clay pots, drinking glasses or dishes, light bulbs, mirror or window glass, ovenware or crystal.

**Aluminum/Tin/Steel Food Grade Cans** - labels need not be taken off of cans. Rinse cans clean. No scrap metal allowed in bins.

**Paper Products** - Magazines, paper bags, glossy-advertising, glossy inserts and catalogs, all types of clean office and school paper, post-it notes, junk mail, Tetra Pak, and phone books. Staples and envelopes with windows are acceptable, no paper clips, metal, cloth or plastic bindings. Please note that tissue papers, food contaminated paper, paper plates etc. are not accepted and are garbage.

**Plastics** - Check containers closely to determine recyclability. ONLY #1, #2, & #5's are currently accepted. Rinse bottles clean. Leave caps on. Absolutely no automotive product bottles regardless of number. **Plastic Bags and Plastic Film are no longer recyclable and are garbage. Styrofoam is not recyclable and is garbage.**

**Cardboard** - Clean boxboard (cereal type box), and rinsed paper beverage containers like Tetra Pak accepted in bins. Corrugated cardboard accepted at all sites, check inside guide for locations. Please break down ALL boxes to help conserve space.

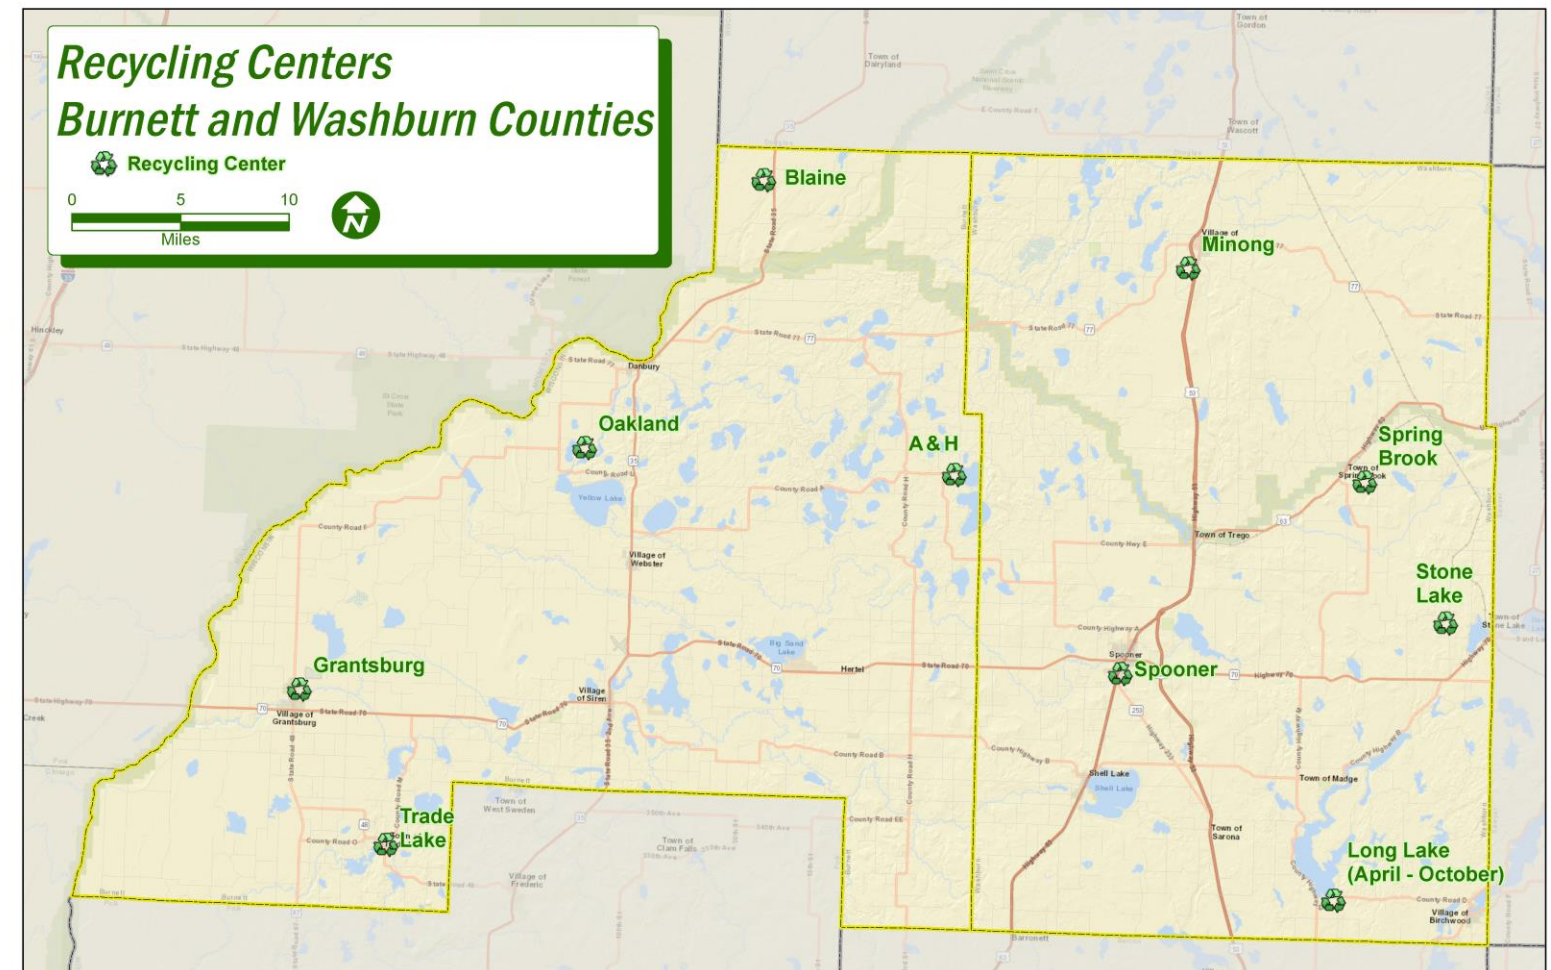

DO NOT LEAVE ANYTHING AT RECYCLING CENTERS WHEN THEY ARE CLOSED OR YOU MAY BE FINED.

For those with residential or businesses curbside garbage collection - area waste haulers can provide you with recycling services or with information on where recycling collection sites are located. Please call your hauler for specific program details. RCC recycling sites are for residential use only....no businesses may use the RCC recycling containers!
